NEXT THYC MEETING

June 26th - 2:00 PM
Futch's Deck, Little Round Bay

The season has officially started as we have raised our glasses and our flag to celebrate Opening Day. If you were able to join us for our latest new event, the New Member Margarita Mixer, you have also met some of the new members from both last year and this season. Thanks to all who provided such a great array of interesting Mexican appetizers. They were definitely needed to soak up our perfect frozen Margaritas. Special thanks to Gordon and Chris for providing the Quesadillas, Art for arranging the big green machine, Earle for coming up with the theme, and all of our new members for being a part of our Club!

Our selection committee has reviewed the applications for the new opening for our Susan Scovill Memorial Scholarship created by the graduation of Shanisha Smith. We are pleased to congratulate Susie Price on being selected for this award for the 2010 school year in the amount of \$1,000. Please see details in the "Scholarship" column in this issue.

Several ideas have been put forth to raise additional funding for our Scholarship. Stay tuned for details on a Silent Auction to be conducted in conjunction with one of our scheduled events this season. Be thinking about something you could contribute to be bid on. Perhaps something you make or something that is hiding in your garage or boat that you would like to get rid of for a worthy cause. The Club may even provide a few items that we can get "bid up" above our cost to contribute the difference to the fund. It should prove to be a fun event with a great purpose!

We are fortunate to have three very qualified candidates to fill our two open Governor positions. They are Sherry Pelton on "Chillin Out", R-12; Wayne Barefoot on Loon-A-Sea, R-66; and Pat

Goldstein on Shiksa, W-26. Members may vote by written ballot at the Futch's picnic on June 26th. or by Proxy by sending a confidential email to our Secretary at beth.boyer@dbr.com prior to this date. If you are not familiar with any of the candidates, please take a walk down the dock and meet them.

If you have never attended the Futch's Picnic cruise, you don't know what you are missing. A great protected anchorage for our two-night raft up, a private cookout on the historic and secluded St. Helena Island, and the main event picnic at the Futch's beautiful home on Little Round Bay. Please talk to any of our Officers if you have questions and see the Flyer in this issue and on our website.

VICE COMMODORE'S REMARKS

By: Chris Houpt

We must be underway – two parties and a cruise already and it's just the beginning of June! Thanks to all who helped with both our Opening Day celebration and our Margarita Mixer. It says a lot about our Club when so many members are willing to pitch in and make these events successful. If you couldn't make the Mixer last week, you missed a great new event. We had 50 to 60 in attendance and the Margaritas were flying out of the machine. Our Commodore introduced the new members that have joined THYC over the past two years and a good time was definitely being had by all.

Next up following our June 12th. cruise to Baltimore Marine Center will be the annual picnic at Tom and Nancy Futch's home overlooking the Severn on Little Round Bay. This event combines a cruise and party on both Friday evening and Saturday afternoon.

We anchor in Maynadier Creek which is about 6 miles up the Severn River past Annapolis (see the chart in the enclosed Flyer). We will dingy to St. Helena Island for a cookout on Friday night. This private island is always interesting to visit and our hosts Wally and Mary-Ann Pinkard graciously share insight into the island's colorful history and have even conducted a walking tour for us. Burgers, Hot Dogs, rolls, condiments, ice, and

paper goods will be provided. Bring a dish to share and your beverage of choice.

Saturday is spent at anchor in a leisurely setting that is conducive to visiting other members' boats for socializing or just cooling off on a float in the water. Our Board Meeting is at 2 PM and the Picnic starts at 4 PM. Again we will dingy to Futch's with our coolers and provisions. THYC will provide grills, charcoal, beer, wine, water, soda, and paper goods. Please bring something to grill and a side, salad or desert that can be shared.

REAR COMMODORE'S REMARKS

By: Beth Fulton

Our boating season is off to a wonderful start for the summer of 2010. The Opening Day was well attended. Our membership provided a great spread of appetizers to share. As always, Commodore Rao had some inspiring things to say as we raised THYC burgee for the season.

If anyone has suggestions of activities they would like to see the club become involved with, please let me know. Some suggestions already made are to join in the 5k Walk in July and create a float for Pirates and Wenches Weekend.

Next big yacht club event will be the picnic on St. Helena Island on Friday, June 25th. Remember your bug spray and to bring your bathing suit to swim in the pickle barrel!

For those who have a dingy, please bring it to minimize THYC volunteer "shuttle service". For those who do not, we will again operate the pontoon boat to help ferry folks from their boats to the island.

SECRETARY'S SALUTATIONS

By: Beth Boyer

We have had several new members join THYC this year that I hope you had a chance to meet them at our Margarita Mixer. We have a hard

stop for preparing the new Directory and all those who wish to be listed must be renewed by June 14th. If you have misplaced the renewal form you may find one at www.thehavenyachtclub.com. If you have renewed, you will find your new 2010 Membership Card is included with this issue of Fair Tides.

This month we have added a new column titled "Heard on the Docks" to include member provided news about on all things good happening to our members. We encourage you to consider sending an email with a brief description of your good news - whether it be a recent graduation, wedding, birth, vacation, anniversary, birthday, retirement, job change, new boat - whatever! We want to hear about the good things happening to our members. So please send along your news to me in an email to beth.boyer@dbr.com and we will add it to our column.

FLEET CAPTAIN'S FLOAT PLAN

By: Troy DiLemme

Thank you all for making our Margarita Mixer a huge success. Our next cruise is to Baltimore Marine Center (BMC) in Canton is coming up June 12-13th Please RSVP if attending. Canton is a great area of Baltimore with many restaurants and bars to explore. BMC also has a great pool. See the marina www.baltimoremarinecenter.com

There is still room available at Herrington Harbor South July 31st – August 1st. Please RSVP to me by email if planning on attending to reserve your berth.

	9-10	Annapolis Sailboat Show
	16-17	Annapolis Power Show
	23	THYC Fall Dinner
	30	Crock Pot Cookoff

SCHOLARSHIP

BY: Bill Thygeson, Chairman

Following much thoughtful review of the three applications received by our selection committee, we have selected this year's new Scholarship recipient. She is Susie Price, a senior at Kent County High School and coincidentally, a summer employee at Haven Harbour Marina. Susie will be attending Stevenson University in Owings Mills, Maryland in the fall to pursue a Nursing Degree. She plans on an extra year of specialization to complete a Graduate Program as well.

Susie's well rounded background not only includes strong academics, but she has been a member of the National Honor Society, the Varsity Field Hockey team, and the Varsity Lacrosse team. She has done an internship with Chesapeake Physical Therapy in Chestertown and been a volunteer at the Kent and Queen Anne's Rescue Squad. Please join me in wishing Susie the best of luck in pursuit of her goals and dreams!

GALLEY RECIPIES

Ziploc Omelet

Everyone gets involved in the process and it's a great conversation piece and an easy make-ahead recipe.

Have guests write their name on a quart size Ziploc freezer bag with permanent marker.

Crack no more than 2 eggs (large or x-large) into the bag and shake to combine.

Put out a variety of ingredients such as cheeses, ham, onion, green pepper, tomato, hash browns, salsa, etc.

Each guest adds prepared ingredients of choice to their bag. Shake, carefully press air out of bag and zip it up.

Place the bags into rolling, boiling water for exactly 13 minutes. You can cook 6-8 omelets in a large pot. For more bags, make another pot of boiling water or cook in shifts.

Open the bags and the omelet will roll out easily. Be prepared for everyone to be amazed!

If anyone has recipes they would like to share, please email beth.boyer@dbr.com

"HEARD ON THE DOCKS"

News Tidbits
From our Membership

Friday Night Races return to Rock Hall. The races are open to all sailing vessels with a handicap scoring format. Races start at 6:00 pm at the Huntingfield Point Light outside of Rock Hall (Red4 Buoy). Haven Harbour is well represented with several boats, L'Bateau, Footloose, Green Eyes and Edelweiss. The season runs from late May thru September. The races normally run from 3 to 6 nautical miles and the season is culminated with a long distance race, called the Huntingfield Cup, which is 9 nautical miles.

Footloose with a crew of Bryce Kell, Rod Boer, Marv Koellish and George Vanyo, all from Red Dock, finished First in its class in the Huntingfield Cup last year. The 1st race of 2010 was held on 14 May with Footloose crewed by Bryce, Rod and George finishing 3rd in its class.

Rhenna Lauren Brawner's First Birthday. Hard to believe but Greta and Billy's beautiful daughter will be one year old on June 3rd. She's remains very proficient at crawling and has recently graduated from formula to whole milk!

Futchs' Vacation Again. Tom and Nancy spent the week of May 23-30 vacationing in the mountains of western North Carolina (Webster) while visiting Army friends in their new river front cabin. Activities included relaxing, shopping, tubing down the river, more shopping (for Nancy), trout and bass fishing, and last but not least, partying with neighbors. Nancy celebrated her birthday on May 28. She's 32 again.

New Edelweiss Crew Member. The newest crew member of Edelweiss is Sadie Lauren Mayer - born on May 11 to parents Jesse and Shane and big brudder Jonah. Experienced crew also on board this summer will be Charley Burckhardt Crosland, age 13 months, with parents Molly and Brodey Crosland. Ny and Bucky are actively seeking creative ideas as to how to bunk all these little mateys!!!

New Barefoot Grandson. Wayne and Marnie celebrated great news with the birth of grandson "Ryder Anthony Barefoot Goddard" weighing in at 8 lbs 9 oz. Unfortunately he lives in Phoenix Arizona so won't be able to spend a lot of time on the boat.

Millward Law Degree. George and Sue's daughter Jessica received her JD on May 23rd. from American University Washington College of Law.
